CALVARY CHILDREN'S HOME • COMMITTED TO MAKING A DIFFERENCE

FROM OUR DIRECTOR...

Rugged Mountains & Calm Waters

Recently I ran across a picture online that completely captured my attention. It was a beautiful, blue, calm lake surrounded by unbelievably rugged mountains that would challenge even an experienced climber. Consequently, there did not seem to be a way to get to those desirable waters.

Snyder Turner

As I looked at that picture, it became the story of so many of our children. Dreams, hopes and encouragements for the calm waters that were so close yet so difficult to get to. The rocks held their own rugged beauty but the journey over them seemed nearly impossible. I focused on those rocks and the lake and wondered how to get over one to get to the other.

The water seemed out of reach – until I saw an opening in the rocks. It was not easy, but it was there. It was then I realized there didn't have to be many ways through, as long as there was one!

The awareness of even one way to the calm was enough to change my thoughts and attitude. They moved from looking at the mountains and doubting there could ever be a way to that calm, to anticipating the peace of the calm waters when they were reached. The continual focusing on the challenge of the mountains had kept me from seeing the way to the calm waters I desired.

My prayer is that while we acknowledge the presence and challenge of the mountains our children face, we must never lose faith that there is a way through to a more desired place. Of course, I personally believe the first step to finding that path is walking with the One who said *He is the way!* (John 14:6)

Yet, we are aware there are issues and fears that must be addressed. Your thoughtful support enables us to help every child find the way through their personal mountains to the calm waters of a better future. Thank you for being such a valued partner in this journey.

OUR GRADUATES FROM CALVARY....

MATTHEW

Matthew graduates from Hillgrove High School in May as well. Matthew is quite gifted with his hands and has been working on everything from alternator replacements to household repairs on our campus since he was 12 years old. He has an excellent sense of direction and is a fantastic learner for everything in the realm of hands-on activity. We have loved

having him on our side for the last 8 years. Matthew intends to become an electrician and begins an internship with that in mind immediately this summer. Yay Matthew!

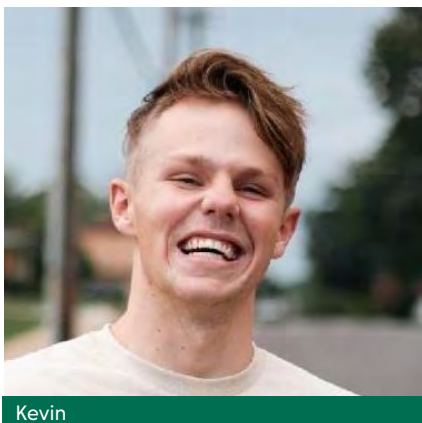

PRESTON

Preston joined the Calvary family way back in 2013. He is an excellent student with a mind driven towards success. Preston turns 18 in May of this year and graduates at the end of the same month from Hillgrove High School. He is set to attend Kennesaw State University in the Fall and is planning to study business. Preston hopes to be an entrepreneur in the very near future, and he has all the tools to make that dream a reality. Well done, Preston!

KEVIN -COLLEGE UPDATE

Kevin just wrapped up his sophomore year of college at Champion Christian College in Hot Springs, Arkansas. He earned 3 A's and a B this semester and is very loved by the staff at his college. Kevin is the kind of young man you hope will marry your daughter and we are so happy that he will be home for the summer to share his life and example with the other children in our care. Look what God has done! Thank you so much for the support that makes this kind of difference in a child's life whose parents are not able to care for them.

THANK YOU FOR THINKING OF US!

OUR FAMILY...

There is much joy brought into our lives through the children we are raising. The youngest ones sometimes ask for one more bedtime Bible story and can get all fired up for any opportunity for ice cream or pizza. The hundreds of hugs that take place weekly on our campus from children who need a tangible demonstration of care certainly warm our hearts as well. We hear proclamations from "Look I ate all my vegetables" to "I made the Varsity Team" to "I think I am ready to head out on my own".

Each step for every child at Calvary is building toward a stronger future. This season at Calvary was full of sports accomplishments for many of our residents. Others were wrapping up their sophomore year of college. A few started their first job.

Five of our residents received either their Driver's license or learners permit in the last few months.

Pray for our staff as we ride shotgun through that learning time.

Sweet mercy is this life an adventure! Our two newest residents are just settling into life at a new elementary school and calling the people who care for them Aunt and Uncle. Aunt and Uncle means we're family! Family grows together. Family means I am here for you every step of the way.

**What a life God has given the
Calvary Children's Home family!**

– Brian Busby, Campus Director
